***Allowable Subject Matter***

1. Claims 1-16 and 18-30 are pending. All the pending claims are allowed.
2. The following is an examiner's statement of reasons for allowance:

The closest prior art of Walker (U. S. Patent 5,862,223) teaches matching communications between an expert having particular qualifications and an ending user seeking a solution to an expert request.

In regarding to independent claims 1, 12, 16 and 18-21, Walker taken either individually or in combination with other prior art of record fails to teach or suggest providing a database containing all registered sellers and all registered sellers are qualified to bid or post on postings of website services in all categories. In contrast, Walker teaches that only certain sellers are qualified to bid or post on postings in limited categories.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
